

## CURRICULUM VITAE

CHRISTIAN GRIMM

*Name:* Christian Grimm, Prof.  
*Year of birth:* 1962  
*Nationality:* Swiss  
*Working Address:* University Hospital Zurich  
Dept Ophthalmology  
Lab for Retinal Cell Biology  
Frauenklinikstrasse 24  
CH - 8091 Zurich, Switzerland

### **Scientific education**

*University:* Bern (1981–1986); Studies in ‘General Microbiology’  
*PhD:* University of Berne; Institute of Cell Biology (1986–1990)  
Head of lab: Prof. J. Kohli

### **Positions held**

1990 – 1993 University of Berne; Institute of Cell Biology.  
Postdoc; Head of lab: Prof. D. Schümperli.  
1993 – 1997 University of Wisconsin - Madison, Madison, USA. Dept Biomolecular Chemistry.  
Postdoc; Head of lab: Prof. J. E. Dahlberg.  
1997 – 2002 University of Zürich; Dept. Ophthalmology, Lab for Retinal Cell Biology  
Postdoc; Head of lab: Prof. Ch. E. Remé.  
2002 – 2005 University of Zürich; Dept. Ophthalmology, Lab for Retinal Cell Biology  
Senior researcher; Head of lab: Prof. Ch. E. Remé.  
2006 – 2008 University of Zürich; Dept. Ophthalmology, Lab for Retinal Cell Biology  
Head of lab (*ad interim*)  
2008 – University Hospital Zürich; Dept. Ophthalmology, Lab for Retinal Cell Biology  
Research director; Professor for Experimental Ophthalmology

### **Awards**

1999: Best Poster. Swiss Society of Ophthalmology (SOG),  
2000: Alfred Vogt Award, 2000  
2001: Best Poster. Swiss Society of Ophthalmology (SOG),  
2003: Retinitis Pigmentosa Award 2003. Pro Retina Deutschland e.V. and Retina Suisse,  
2004: Pfizer Research Award in Neuroscience,  
2006: Best Poster in Neuroscience. 5<sup>th</sup> Day of Clinical Research, University of Zurich,  
2007: Posterprize at the 3<sup>rd</sup> annual meeting of the CIHP, University of Zurich,  
2020: Alfred Vogt Award, 2020

### **Member of Scientific Organizations**

- Swiss Society for Experimental Biology (USGEB)
- Association for Research in Vision and Ophthalmology (ARVO)
- EURETINA (European Society of Retina Specialists)
- Swiss Society of Ophthalmology (SOG)
- Swiss Society of Neuroscience (SSN)
- Society of Neuroscience

### **Committees**

- Organization committee of the international biennial meetings on Retinal Degeneration (RD Meetings); together with Joe Hollyfield, Cleveland, USA; Gene Anderson, Oklahoma, USA; Matt LaVail, San Francisco, USA; John Ash, Oklahoma, USA).
- Organizer of the annual 'Swiss Eye Research Meeting (SERM)'
- Steering committee of the Center for Integrative Human Physiology (CIHP), University of Zurich
- Director of PhD-Program in Biomedicine (BioMed), University of Zurich
- President of Master committee, Medical Faculty, University of Zurich
- Scientific and Medical Advisory Board of Retina Suisse.
- Scientific Advisory Board of Pro Retina Germany.

### **Editorial Board Member**

- Current Eye Research
- Experimental Eye Research
- European Journal of Neuroscience, Scientific Review Associate (SRA)
- Molecular Vision
